

OH HOW BUSY WE'VE BEEN...

MASTER CLASS WITH JORDAN JMAN FRANCIS:

On Friday, January 14th, some of BOLD's students took master classes with the popular Jordan Jman Francis, also known as "Barron" from Disney's Camp Rock! The students looked fabulous and had an amazing time! Jordan loved working with the kids and says he will definitely be back as he had such a great time.

MASTER CLASS WITH BLAKE MCGRATH:

On Friday, January 21st, our Junior Advanced, Intermediate and Senior Companies had the opportunity to take a master class with choreographer Blake McGrath. He had them working really hard and taught them a great piece. The class was definitely a challenge, but lots of fun and the students looked great. Blake had an awesome time as he loves it here at BOLD.

BOLD feels passionate about providing their students with nothing but the best! Our staff gives the students top quality training, creative concepts and are always putting up a challenge to help our students grow. Student Quote:

"Mommy we are the luckiest girls to have this opportunity to dance with all these stars."

Says Angelina Owen from our Mini Company, after taking the class with Jordan!

BOLD ANNUAL DINNER DANCE FUNDRAISER

BOLD's second annual fundraiser was a great success! The night turned out beautifully and everybody had an amazing time!

BOLD's Seniors really WOWED the crowd with their outstanding performances. They really did a wonderful job in representing our BOLD dancers.

The night was filled with lots of fun, great entertainment and tons of dancing. The live and silent auctions were a big hit. Many participated in the 50/50 draw and the raffles. Everyone was involved and it was definitely a night to remember.

On behalf of the BOLD Directors and staff, we would like to thank everyone who supported our dancers through donations of merchandise and their time. It was great to see so many come out and support our team. We would also like to congratulate all the winners of the amazing prizes. We had wonderful time and can't wait for next year!!!
